Profile ²¹⁻³²⁻⁷¹⁻³¹

Stock Symbol:

CapsCanada manufactures the highest quality in pharmaceutical grade capsules. Clients include the most prestigious companies around the world. Unlike any other capsule manufacturer, CapsCanada is vertically integrated into the production of 100% bovine high gelatin. All facilities are cGMP and ISO certified. All ingredients meet the applicable pharmacopeia (USP, EP, JP) and/or local regulatory standards.

Products and Services

See ad pg. 87

Products include two-piece gelatin and vegetable (K-CAPS®) capsules. When compared to other HPMC capsules, K-CAPS® offer (1) exceptional filling performance (higher production yields/lower production costs) and (2) superior dissolution profile (USP, EP, JP standards). Technical support and training is available to all customers.

Canadian Manufacturing Facilities: Yes
