### Profile 101-31

Stock Symbol:

Nu-Tea Co. is a privately owned Canadian specialty tea company. We specialize in organic and fair-trade wellness teas with superior quality and taste and attractive trademarked packaging. Our teas were created out of passion for making a difference to the health and wellness of local communities and sustaining and preserving the natural resources of our planet. Our latest packaging uses the most eco-friendly paperboard in North America - 100% recycled, 100% carbon neutral and 100% clean energy.

### Products and Services

Offers a full line of organic fair-trade red, green, white and golden black teas as well as Rooibos Espresso and bulk loose leaf Rooibos teas. Brands include tega red tea and the award winning Qi teas.
